

Bright Futures Nursery and Kids Club

NEWSLETTER FEBRUARY 2016

We would like to remind all parents that the meetings

with your child's keyworkers will be happening on the week of 15th February.

We would like to give a big thank you to all the parents that have donated toys to the Nursery. The children have been enjoying them. Please keep doing it. We are always looking for different toys for our children to play with.

Pre-School:

Can all parents and children

check their trays in the afternoon/evening before going home. We put letters in their trays and encourage the children to put their own art work in their tray during the day.

Baby Room is focusing on learning the different Body Parts. They are having so much fun pointing out each body part.

Children are NOT a distraction from more important work. They are THE MOST important work.
-C.S. Lewis

The After School Club received a visit from a Lollipop Lady on 11th February,

to talk about Road Safety. Everyone was very interested and participated by making questions.

Toddler Room: Please can you bring photos of your child and your family, so we can make family books.

KeyWorker

Football Sessions

Toddlers and Pre-School have been enjoying fortnightly football sessions. Billy from sportsfa.co.uk will be visiting the Nursery every other Thursday at 10am to deliver these fun packed sessions. Club will also have these sessions, taking place once a month, from 4.30 to 5.30.

Funded Hours are Term Time only. If you would like your child to attend Nursery during School Holidays and Half Terms, you have to pay the associated fee.

what a mess!

Don't raise
your kids to have more
than you had,
raise them to be
more than you were.

Due to adverse weather conditions, **Baby Room** is carrying on many Messy Play activities indoors, such as covering parts of the body (hands, feet), with paint and creating displays on the walls.

The older children from Pre-School are doing extra learning sessions with Tania in Club Room in the morning, in order to prepare them for School in September. All the sessions, which include learning/exploring, doing set activities, etc., are linked with the EYFS requirements.

Some babies have moved up to Toddler Room. The adaptation to the new room, staff and children has been very positive.
