

My First Poem

My name is **Elisa** and I go to preschool,
 My best friend is **Adegboyega**, who is really cool.
 I watch **Henry** on TV,
 Playing **dress-up** is lots of fun for me.
 I just love **pasta** to eat,
 And sometimes **cupcakes** for a treat.
Pink is a colour I like a lot,
 My **teddy bear** is the best present I ever got.
 My favourite person is **me**, who is a gem,
 So this, my first poem, is just for them!

My First Poem

My name is **Kiran** and I go to preschool,
 My best friends are **Adegboyega** and
Alan, who are really cool.
 I watch **racing cars** on TV,
 Playing **with dolls** is lots of fun for me.
 I just love **fish fingers** to eat,
 And sometimes **chocolate** for a treat.
"Lellow", **yellow**, is a colour I like a lot,
 My **cars** are the best present I ever got.
 My favourite person is **Mummy**, who is a gem,
 So this, my first poem, is just for them!
