

My First Poem

My name is **Moises** and I go to preschool,
My best friend is **Ayesha**, who is really cool.
I watch **Monsters in the Morning** on TV,
Playing **with racing cars** is lots of fun for me.
I just love **spaghetti** to eat,
And sometimes **crisps** for a treat.
Blue is a colour I like a lot,
My **dinosaur** is the best present I ever got.
My favourite people are **Mummy and Daddy**,
who are gems,
So this, my first poem, is just for them!
