

My First Poem

My name is Zakariya and I go to preschool,
 My best friends are Steven and Evan, who are
 really cool.
 I watch wild animals and cartoons on TV,
 Playing with cars is lots of fun for me.
 I just love fish to eat,
 And sometimes crisps for a treat.
 Red is a colour I like a lot,
 My red present, an aeroplane is the best
 present I ever got.
 My favourite people are Mummy and Daddy, who
 are gems,
 So this, my first poem, is just for them!

My First Poem

My name is Maya and I go to preschool,
 My best friend is Tiana, who is really cool.
 I watch The Elephant on TV,
 Playing with my baby sister is lots
 of fun for me.
 I just love fruit to eat,
 And sometimes biscuits for a treat.
 Orange is a colour I like a lot,
 My Peppa Pig is the best present I ever got.
 My favourite person is Sabba, who is a gem,
 So this, my first poem, is just for them!
