### **Chicks**

#### **Pre-School**

Children have been learning all about 'Myself and family'. They have also be learning about the life cycle of the 'Chicks'. We have six chicks in total and many parents have requested to take them home. Please understand that they will need to be looked after as a 'pet' and you will be responsible in taking care of it. If after a while you longer want it, it may be possible to take it to a farm and give it them.
