

Jubilee Celebrations

Monday 30th May - Wednesday 1st June

We have slightly changed our Jubilee celebrations arrangements - We will now be having lots of fun and exciting activities with the children all week long in each of their rooms.

We will take lots of pictures to share this special occasion with you and send these to you at the end of each day for you to enjoy.

All the children will be gifted a special jubilee t shirt keepsake to help celebrate - would be great if they could wear red, white or blue shorts/joggers/leggings/skirts etc on their first day into Nursery that week

There will no longer be a garden party on the 1st June but we hope to have a family picnic later in the year when the weather is a bit warmer and more predictable

Thank you
