

UNDER 2'S

ACTIVITY 2

SHINY OBJECTS

You will need:

Stainless steel mixing bowls

Metal spoons, large and small

Stainless steel pots and lids

Other shiny cutlery such as a whisk

keys

Activity

Look at your reflection in the shiny objects

Bang the spoon on the metal saucepan lid

Use 2 saucepan lids to crash together as cymbals

Find other shiny objects to explore such as keys, sieves, etc

Talk About

Sounds

Actions

Noise

Reflection

“What can you see?”

“What can you hear?”

Count as you tap the spoon on the saucepan 1-2-3.....

Put the spoons or other shiny objects in the pots and put the lids on and then open them and see what is inside.

Use different intonation such as surprise, joy, to create a “Wow” moment
