

HUMPTY DUMPTY WENT TO THE MOON

by Michael Rosen

Humpty Dumpty went to the moon

on a supersonic spoon

He took some porridge and a tent

but when he landed

the spoon got bent

Humpty said he didn't care

and for all I know

he's still up there

This is a fun poem to do some activities around. Below are some suggestions!

- Add some water to oats and see how thick or thin you can make it. Talk about the different consistency. Can you stand a spoon up in it or a lollipop stick?
- What do you think is Humpty Dumpty's favourite colour?
- Add some food colouring to the water and oats and try to make this into Humpty's chosen colour
- Why do you think Humpty took porridge and a spoon?
- What do you think he needed a tent for?
- Why do you think the spoon got bent?
